BY THE HEARING OFFICER:

On August 13, 2007, Nebraska Public Power District ("NPPD"), Columbus, filed an application seeking authority to construct, operate and maintain an electric transmission in Scotts Bluff County. NPPD has informed the Commission that they had been unable to gain consent from all affected parties and therefore, requested a hearing on the above-captioned application.

A Hearing Officer order was entered on September 18, 2007, rescheduling the hearing in this matter to October 17, 2007. Subsequently, NPPD has informed the Commission that they have received the required consent from the remaining affected party, the Burlington Northern Santa Fe Railroad (BNSF). NPPD has filed the consent to the construction signed by a duly authorized representative of BNSF with the Commission. NPPD therefore requests that the hearing scheduled for October 17, 2007, be cancelled.

Upon review, the Hearing Officer is of the opinion and finds that the hearing should be cancelled.
